Notification of Application Results

Our kindergarten will notify parents of the interview results via WhatsApp on or before 13 November 2026.

Registration Arrangements

- **Applicants on the Main List:** Parents must complete the registration formalities at our kindergarten during the designated period from **7–9 January 2027**. Please bring along the **"2027/28 Registration Certificate for Kindergarten Admission"** (hereafter referred to as "RC") to scan the QR code on the electronic RC and pay the registration fee.

- **Applicants on the Reserve List:** After the registration period for the main list has completed, any remaining vacancies will be filled by applicants on the reserve list. Our school will individually notify parents via phone **on or before 12 January 2027**, to come to our school for registration. Parents must submit the original copy of the "2027-2028 RC" and pay the registration fee.

- If parents fail to submit the "RC" within the designated registration dates, our kindergarten will not be able to complete the registration formalities for the admitted child. Therefore, parents must apply for the relevant registration documents from the Education Bureau (EDB) within the specified period. For application details, please refer to the EDB's Admission Arrangements for Nursery (K1) Classes in Kindergartens.

- The registration fee for the 2027/28 school year is **HK$970** for half-day classes and **HK$1,570** for whole-day classes. If parents request to take back the original "2027/28 RC" after registration, it will be deemed as declining and forfeiting the school place. Parents must notify our kindergarten of the withdrawal in writing. In accordance with the guidelines set out in the **Education Bureau Circular Memorandum No. 81/2025**, the registration fee paid is non-refundable.
