Application for the “Registration Certificate for Kindergarten Admission”

1. The Government implemented the “Free Quality Kindergarten Education Scheme” (hereafter referred to as “Scheme”) starting from the 2017/18 school year. Each child who can receive education in Hong Kong will only be issued a registration document and all Scheme-KGs can only admit students holding a valid registration document.
2. Parents are required to submit an application for the “Registration Certificate for Kindergarten Admission” (hereafter referred as “RC”) to EDB from September to November 2020. The “RC” will be open for applications in September 2020 and EDB will announce and upload the details of application onto EDB’s website (link to be inserted) in due course. Upon receipt of the applications with all necessary information and documents provided, EDB will generally take six to eight weeks to complete processing of the applications and issue the “RC” to applicants who are eligible for receiving subsidy under the Scheme by post. If a student cannot obtain an “RC” as he/she can receive education in Hong Kong but is not eligible for receiving subsidy under the Scheme¹, EDB will then issue a “Kindergarten Admission Pass” (hereafter referred to as “AP”) to the student concerned for registration and admission to a Scheme-KG but the parents concerned are required to pay full school fees before deduction of subsidy under the Scheme as shown on the Fees Certificate of the KG to which the child is admitted.

Admission Criteria

2. Priority consideration
